

# Japanese Literature Study Program

The Japanese Literature Study Program, Faculty of Languages and Literature, Universitas Nasional, is the oldest University in Jakarta and has produced hundreds of graduates who have pursued careers in various fields, both domestically and internationally. The program's distinctive feature includes the integration of literature and culture through multimedia-based learning, as well as emphasis on the intellectual legacy of Sutan Takdir Alisyahbana ideas, a leading writer of his era and the founder of Universitas Nasional.
